I'm against The Millennium Bulk Terminal!!  
for all the reasons I checked above. I would  
hope you realize that other and probably  
more jobs will be created in Washington,  
Idaho & Montana if we keep our  
cities and rural areas clean, such as  
sport fishing, hunting along with clean, quiet  
cities with beautiful streams and lakes.  
Clean resources produce scores of  
clean jobs.
